June 24th - 27th, 2025

MUSKEGON, MICHIGAN

THE PLACE TO BE IN '25...

DANCE FORCE FINALE

The first annual Dance Force FINALE took place in June of 2024, welcoming dancers from across the State to the absolutely stunning Frauenthal Theatre in Muskegon, Michigan. We are ready for even more excitement as we jump into the new year. As we move forward, we have reviewed feedback and added elements to the experience to benefit your dancers.

We had a wonderful time at the inaugural FINALE, and can't wait to show you what we have in store!

More classes, more awards, more divisions - we hope to see **you** in June!

UPDATES

DECEMBER 2024

What is FINALE?

The Dance Force FINALE is a Nationals-style event, encompassing competition, classes, special performances, and more! The venue is located in a family-friendly area. Hotels and restaurants are within walking distance, and the beautiful west-Michigan beaches are just a few minutes down the road!

Eligibility

Routines must be registered at one of the four Dance Force Xpress regional competitions during the 2025 season.

Routines in the Intermediate, Advanced, and Elite levels are eligible for participation in the FINALE.

Each studio is allowed a 'bump' of up to 3 routines that compete at the Beginner level at regionals, but would like to compete at the Intermediate level at FINALE. There is not a Beginner level at FINALE.

Age divisions will be determined as of June 1st, 2025. Please note that this is different from regional competition.

All size divisions (Solo, Duo/Trio, Small Group, Large Group, Line, Production) are invited to attend.

No minimums; bring one routine, or your entire company!

CONTINUED:

Awards and the GRAND FINALE!

The goal of the FINALE is to move forward to the final day 'GRAND FINALE'. While there are no placement awards (bronze, silver, gold, high gold, platinum, diamond) at the FINALE, we will be placing the following routines regardless of enrollment numbers:

SOLOS - Top 10

DUO/TRIOS and GROUPS - Top 5

The top placing routine in each division will move on to their final performance of the season in the GRAND FINALE on the final day. The top 3 soloists at the Advanced and Elite divisions will all perform in the GRAND FINALE, with placements announced during the final awards presentation.

Pricing - new for '25

Each FINALE performer is required to pay a \$50 event fee. This fee covers all classes, auditions, rehearsals, special performances, a commemorative gift, and more.

FINALE competition registration rates will remain the same as our 2025 regional rates. Action photos and performance videos are included. Routines that move onto the GRAND FINALE will also receive photos and videos for those performances.

There are NO fees for registered studio staff members and directors.

Online registration is now open.

An estimated number of routines and a minimal deposit will reserve your space.

Final payments are due May 24th, 2025.

The Dance Force FINALE will be a bi-annual event, running on odd years, allowing studios to plan for our event while attending other Nationals or summer performance opportunities.
